

Floating above the Flood
God's Newspaper

I was speaking today to a businessman about the area of finances as he is very much in the financial area of business. He is a Christian, and not just any old Christian, he is very much into the whole area of the gifts and revival. I asked him what the cause of this crisis was, his answer was short, and to the point; GREED.

We are being bombarded every day by news of closures, unemployment, desperate people, crime levels, tax levels, governments trying to keep a lid on the country. Negative, negative. But if we were to look in God's newspapers we would see different headlines indeed.

The newspaper is called GOOD NEWS TODAY!

The main headline is GOD HAS EXTENDED COVENANT TO EVERYONE WHO BELIEVES AND CLAIMS AS HIS OWN.

If we could all look and see that as we read, we see God's Word, coming to us, extending His hands to us, providing and healing.

Instead of the headlines steadily getting worse, in God's newspaper they are getting better. They recite testimonies, they recite victories.

Believe me, the newspaper is citing better and better times ahead ...not worse times.

Can you imagine yourself reading them each morning over your toast and coffee?

You would get a spring in your step, and you would get to work singing and victorious mindsets would cause you to attract new business and new success.

That is exactly what the Bible is, God's daily newspaper to us. It is full of Good News, everyday. Turn the radio and TV off. Put on the worship, and immerse yourself in the Good News. Then you would have God's vision for your life, not what the world thinks about you and your family.

GOD ANNOUNCES SUFFICIENCY FOR ALL THINGS.

Instead of sickness, God would be announcing healing for those who believe. Is this real? Yes it sure is! . But why does it not happen to me? Because you have been reading the worlds newspaper perhaps.

Maybe you read the world's Gospel every morning and forgot to pick up the Word of God.

Your faith will be released as you read God's Daily (good) News .

God extended the Bible, His Word, as a covenant and as you prove God in this very unstable time, by shutting out the demonic voices of destruction in the world, and live in Him, Christ will keep your home as God kept Noah above the waters of the Flood.

If you believe God you will see your Jericho's fall before YOUR FAITH SHOUT. If you will believe even the fish will bring you your daily provision.

Who wants to hear bad news? No one does. So know that the Good News is at your reach. It is your Covenant in times of crisis, and your times in crisis will become your joy and laughter.
